TWO DAYS PRE-ORDER!

On behalf of all of the NESA Creative Writers (especially those of us who had a part in making this magazine), it would mean the world to us if you would support our program by purchasing a Literary Magazine*! Each year, creative writers from all grades continuously submit to the Literary Magazine, which is designed and put together by the senior class. It's the biggest project creative writing does, and we would love to let you get a glimpse into all of the wonderful things we do in creative writing. Plus, it's just darn good reading! Thank you!

*Literary Magazines are \$20 each, and all proceeds go to funding the NESA Creative Writing program and events/special guests for the students throughout the year.
