### *Student's To-Do List – AP Registration*

Below is what students need to do to prepare for the 2019-2020 AP school year.

#### **Spring 2019:**

- Students should visit <https://apstudent.collegeboard.org> to learn more about AP courses and exams.
- Students must create a College Board account if they do not have one. They will need their username and password when their fall AP classes begin.
- Students who already have an account but cannot remember their password should call the SAT Help Line: 1-866-756-7346.

#### **Fall 2019:**

- Teachers will give students a *join code* for each of their AP classes. Students will use their College Board username and password and *join code* to enroll in their class section. Since labels will be printed according to student registration rosters, there will be **no stand-by testing** opportunities.
- **October 24<sup>th</sup>** is the fall registration and payment deadline for the May 2020 AP exams.

#### **Spring 2020:**

- **February 20<sup>th</sup>** is the spring registration and payment deadline for those students taking the following course during the second semester: AP Psychology, AP U.S. Government, AP Comparative Government, and AP Macroeconomics.
