Volunteer online- be sure you are DPS cleared!

Pick up kids from after school activities on time

Webpages and social media as resources

Instagram: @northeastschoolofthearts

Twitter: @NESA_NEISD

Facebook: @NorthEastSchooloftheArts

IMPORTANT REMINDERS

PROBATION POLICY

- Attending NESAs is a privilege, not a right, and as such it maintains standards in these areas that all students will be expected to meet.
- A student can be put on probation for academic underachievement, poor attendance, or unacceptable behavior.
- **Academics:** NESAs students are expected to **maintain passing grades in their core classes and above 80 averages in their NESAs classes.** Due to the afterschool curricular requirements NESAs students have passing classes is mandatory in order to be fully eligible to participate in NESAs curriculum. If a student does not meet the expectation of passing all classes and maintaining an 80 in their NESAs classes, they will be placed on probation for **the nine weeks following the one they failed.** Should the student not be able to improve their grades by the end of the probation period, the student can be removed from the NESAs program.

- **Attendance:** Students are expected to meet all State and District attendance requirements. A student should **not be absent for 10 or more days in a single semester from any particular class.** Should this occur, the student will be placed on probation for the remainder of the school year. If the attendance issue continues, enrollment in the NESAs magnet program will be revoked. An unusual extenuating circumstance is a basis for appeal to the director.
- **Behavior:** NESAs students are required to adhere to the NEISD code of conduct at all times. The campus administration has the authority to revoke the enrollment of a student during the school year for failure to adhere to school rules; NEISD policies; local, state or federal law.
- Students who receive any **alternative placement** as a disciplinary measure, including ISS and ISS2, will be placed on **probation until the end of the following grading period.**
- Students found to be engaging in **bullying** behavior will be put on probation until the end of the following grading period or may be removed from the program.
- Any student action that results in a **Disciplinary Alternative Education Placement (DAEP) or long term out of school suspension will result in the immediate removal from the magnet course/program and returned to his/her home campus upon the completion of the DAEP.**

SENIOR FEE

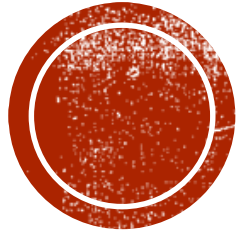

- \$35
- Will provide students with a senior trip, a graduation stole, and a senior only t-shirt designed by students!
- Senior fees can be paid by check or cash, brought to the NESAs office
- Forms will be sent home through their NESAs major classes but can also be picked up tonight from the table in the lobby!

All driving students should be parking in the shuttle lot on Blanco. The shuttle lot is free to park.

After school rehearsal students will be given time during the rehearsal process to move their cars back onto campus, depending on the needs and timing of the rehearsal.

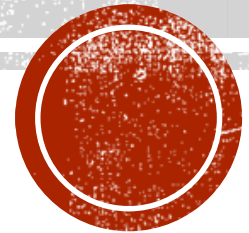

Campus administration is currently looking very closely at the parking situation and will be making changes immediately to make the parking situation as good as we can. Look in my Friday Director's Notes for the finalized changes.

PARKING AND SHUTTLE

NESA PARTNERS

**Welcome!
Parent Night
August 22, 2019**
