North East School of the Arts

NESA Mission Statement

- The North East School of the Arts is a gifted and talented school for students with creative ability. The school will:
 - **Provide an academically rigorous environment that will afford students a variety of post graduate choices;**
 - **Provide differentiated curriculum, assessment, and instruction focused toward production, performance, and/or publication;**
 - **Create an artistic venue for the community.**

NESA Mission Statement continued

- The North East School of the Arts will offer seven majors: cinema, creative writing, dance, instrumental music, musical theatre, technical theatre, and visual art.
- Each discipline will exist both as a separate entity and in a support capacity to each other. Students majoring in the various disciplines will be expected to perform/produce work for the public and for evaluation.
